6. Overall atmosphere and happiness

Features of our Feedback System:

Our feedback system is designed to obtain the constructive feedback from the students on 6 parameters to get a clear visualization on all the aspects related to our College, academic performance, outcome, support and activities. We have added the aspect of 'Overall atmosphere and happiness' to the feedback questionnaire. Students are encouraged to respond in anonymity and give open suggestions.

Impressions and Findings:

- Majority of the students have given their responses as 'Very Good'. This is followed by the responses given as 'Good' and the rest have responded as 'Satisfactory'
- None of the respondents have registered their response as 'Not satisfactory'
- It is noteworthy that 90% of the respondents have said that the overall atmosphere and level of happiness in the College is 'Very good'. 9% have opined it as 'Good' and 1% have opined as 'Satisfactory'. Therefore Very Good + Good make it 99%. This shows that the students are happy with the College.

22/02

Suggestions Received:

- With the introduction of NEP and NEP related changes this year the First Year students are little bit confused about the list of prescribed textbooks.
- The students have opined that many of the textbooks/study materials are not available in the market.
- They had suggested to make them available from the Library
- Some students had suggested some modifications in the optional/open elective system
- Some had suggested to start coaching/classes for CA and other professional courses/exams

Action Taken:

- The lecturers have provided the necessary support regarding the study materials
- The library has provided general reference books related to the syllabus
- Orientation was given about using the reference books to get the necessary reference materials connected with the syllabus.
- The students were also taught how to make notes from the library books
- Textbooks related to new NEP syllabus are added to the library as and when they are available in the market.
- Library has provided e-books and other alternative reference materials.
- The concerned faculty members have made representations to B.O.S of the University regarding the problems faced about open electives
- CA classes were started
